

AHK OKTOBERFEST

2nd AHK Oktoberfest and 3rd Serbian Visions Multi-Conference Again in Belgrade this Autumn

As the only bilateral chamber of commerce in Serbia with almost 350 company members, the German-Serbian Chamber of Commerce (AHK Serbia) has been continuously working on boosting economic and business relations with Serbia and Germany, and strongly advocating interests of businesses operating in Serbia.

Among numerous events that AHK Serbia organizes for its members, this autumn, we would like to single out the biggest business event in Serbia – the 2nd AHK Oktoberfest – with almost 1,500 guests in attendance. With the goal of promoting the importance of corporate social responsibility, and actively advocating the significance of the civil sector in a country's development, the Chamber also

organizes the 3rd Serbian Visions Multi-Conference.

2ND AHK OKTOBERFEST – BAVARIAN SPIRIT IN SERBIAN WAY

Every year, the famous Munich festival assembles millions of excited visitors from all the world. This year, its Serbian counterpart will be held in Belgrade, on 13th and 14th October, organized by the German – Serbian Chamber of Commerce (AHK Serbia), on the premises of the festival's partner – Messer Tehnogas – which celebrates its 20th anniversary of operations in Serbia. This biggest invitation-only business event will gather around 1,500 guests mainly from the German-Serbian business community, companies that are members of AHK Serbia, and their business partners and guests. The

German Ambassador in Serbia, Mr. Axel Dittmann will officiate the beginning of the AHK Oktoberfest by symbolic opening of the first beer keg, the so-called anzapfen. On its part, AHK Serbia will do everything in its power to create an authentic environment during the festival with a specially decorated tent, rich Bavarian cuisine and German beer in order to fully present the traditional spirit and the original atmosphere of the most famous German festival. The Serbian side will do the same with the brass orchestra of Dejan Petrovic and Big Band which will perform the traditional German, international and Serbian music on the occasion.

SERBIAN VISIONS TO AWARD THE BEST THIS YEAR
